The agenda looks fine. Thanks.

Steve is correct about going until 5 pm. Some people will leave early on Thursday so maybe a smaller room will be OK. Go ahead and let the other group use RM27A and we will switch rooms at the afternoon break.

There is another room on that same floor that is available at 3-6pm on Thurs 12/13. It fits 40 people - but there are no windows and it is smaller than RM27A. May I move us to the other room during the last break (assuming that it comes at 3pm or later), so that you can conclude your deliberations there?

Note that we definitely have the bigger Room 27A all day on Thurs 12/13, so if you prefer, we can assert our right to stay until 5pm. However, I was looking for a way to accommodate that other need, which is a well-attended charity fund-raiser that Region 2 runs every year.

I took the liberty to revise the NRRB agenda (attached) - please let me know if it is OK.

I think we should have a room available until 5. At the last couple of joint meetings there was a lot of discussion and we were not able to reach consensus on some recommendations before we left.

May I revise your agenda to reflect John's comments below? Or if you already have, would you send me a final version of the agenda? I would like to distribute it here so people are prepared.

Also, USACE just decided not to speak at the NRRB meeting, so they should be removed from the agenda.

Finally, do you know if you will need Room 27A all the way until 5pm on Dec 13? A potential conflict just popped up - I am working to resolve it.

EPA Site Presentation should be an hour and a half. The Q&A can be cut to 1 hour. The NOAA, USFWS and USACE presentations should be 15 minutes each. That moves the break to 2:45 to 3:00.

My appologies, I wasn't able to look at this until today. Based on some past conversations with John Frisco, I had invited the "Partner Agencies" to speak briefly at the NRRB meeting. So that means that, in addition to NJDEP, NOAA, USFWS and USACE should be on the agenda.

May I suggest the following:

8:30-8:45	Intros
8:45-10:00	EPA Site Presentation
10:00-10:15	Break
10:15-11:30	EPA Site Presentation/Q&A
11:30-12:30	Lunch
12:30-1:00	State Presentation
1:00-1:30	Q/A on State Presentation
1:30-1:40	NOAA Presentation
1:40-1:50	USFWS Presentation
1:50-2:00	USACE Presentation
2:00-2:30	Q/A on NOAA-USFWS-USACE Presentations
2:30-2:45	Break
2:45-5:00	Site Presentation/Q&A

Steve - do you have a call scheduled with the region between now and the meeting? If so please add the Board to the invite list. If not do you think we should have one?
